Tax Revenue Falls Off During April

LITTLE ROCK (AP)—Revenue Commissioner J. Orville Cheney reported today that collections of sales and gasoline taxes in Arkansas fell off during April.

But Cheney said he wasn't alarmed by the decline between last month's figures and those of April, 1959.

He said collections during the period last year were especially hefty.

Sales tax collections last month totaled \$4,321,673 compared with \$4,501,850 a year ago. The drop was \$180,177.

Gasoline tax collections were \$3,115,002 compared to \$3,575,208 — a drop of \$459,546.

Cheney said both sales and gaso- line taxes showed a monthly in- crease of about \$750,000 last year, "and that was a pretty good in- crease to try to measure up to."

Total revenues collected last month amounted to \$12,069,541 compared with \$12,330,049, an "ov- erall decrease of \$261,308."

Dollarway to Register Negro Group

PINE BLUFF, Ark. (AP)—Reg- istration of all students who ex- pect to enter the first grade in the nearby Dollarway School Dis- trict this fall will be held Thurs- day, school officials announced.

The Dollarway School Board has indicated it will take into ac- count the desires of Negro par- ents in assigning students to the lower grades.

This is in compliance with the orders of U. S. District Judge J. Smith Henley. The judge last week approved a school board plan which said such desire would be considered.

Dollarway Supt. Charles L. Fal- lis said in a statement that all students should register at the school which their parents or guardians want them to attend.

Registration will be held at the all-white Dollarway School and Hardin School, and at all-Negro Townsend Park School.

In approving the board's deseg-regation plan, Henley cautioned that it must be used in good faith until racial discrimination has been ended.

Several Auto Wrecks and Burglary Here

Ike Plans Flight to Fort Benning

WASHINGTON (AP)—President Eisenhower plans to fly to Colum- bus, Ga., Tuesday to inspect the Army's infantry training center at Ft. Benning.

Announcing this today, the White House said that weather permitting Eisenhower intends to leave early, probably about 8 a.m. He will spend several hours at the center and then fly back to Washington.

Removal of Board Is Set Aside

By LEN HATCH

LITTLE ROCK (AP)—The Ar- kansas Supreme Court today set aside suspended Garland County Judge H. C. Warren's removal of the board of Ouachita General Hospital at Hot Springs.

The decision left the way open for the judge, if he is restored to office, to try again to get rid of the seven directors of the county- owned hospital.

Warren was suspended earlier this year after being indicted for alleged official misconduct. He has not been tried.

"The high court said Warren should have specified in his dis- missed order why he was trying to oust the board. He did not do so, although certain allegations of misconduct had been made against the members."

"This court has held," Chief Justice Carleton Harris wrote, "that the authority to remove of- ficials for cause carries with it the implied restriction that upon accusation being made, the cause must be stated with leave to the accused to present his defense."

Warren asked the board to re- sign shortly after he assumed of- fice as Garland County judge on Jan. 1, 1959.

The board refused and Warren appointed a Citizens Committee to investigate alleged irregularities in administration of the hospital's affairs.

The Supreme Court said written charges were not preferred but that a few days before a hearing which followed the committee in- vestigation, Warren's attorney sent a letter to the members out- lining certain charges.

These included lack of proper reports, irregular business deal- ings, friction with the State Wel- fare Department, refusal to pay money due the Southwest Blood Bank and others.

"It is at once obvious," the Su- preme Court said, "that some of the accusations made at the hear- ing, even though sustained, would not justify removal."

"We are unable to determine whether the judge was justified in ordering the removal of the board for we do not know what charges and proof he relied upon."

The court also noted, though, that "testimony was offered at the hearing in regard to certain alleged practices at the hospital which, if true, were inimical to the welfare of the institution."

But the opinion emphasized the lack of specific reasons in War- ren's letter of dismissal.

Board members were told only that the dismissal was "based upon the Citizens Committee's re- port; facts developed at the hear- ing x x x and upon the statutes of Arkansas."

The Supreme Court based its opinion solely on the lack of spec- ific reasons and found no merit in a contention of Chairman Hill A. Wheatley and other board members that Warren should have disqualified himself from consid- ering their status.

Workshop Held by Burglars

ST. PETERSBURG, Fla. (AP)—A weekend workshop in cracking safes was held by burglars who broke into the Ballum Safe Co. Besides burning and peeling off safe doors, apparently for practice, the thieves tinkered with every item of safe-cutting equip- ment they could find—plus two safes.

Loss and damage was estimated at \$7,000.

NATO Session in City Under Martial Law

By JOSEPH E. DYNAN

ISTANBUL, Turkey (AP)—For- eign ministers of the North At- lantic Treaty Organization, meet- ing within the confines of a city under martial law, today endorsed Western proposals on disarmament to be put to the Soviet Union at the summit.

As the ministers convened, thou- sands of Turks, most of them uni- versity students, clashed with soldiers within sight of the con- ference building, Istanbul's mod- ernistic City Hall, in a new dem- onstration against Premier Adnan Menderes' government.

There were apparently only minor casualties. Soldiers used rifle butts to herd the students back and some bared bayonets. The demonstrators were scattered into side streets.

U.S. Secretary of State Chris- tian A. Herter read to the con- ference a special message from President Eisenhower warning that the Western Big Three meet- ing with Soviet Premier Nikita Khrushchev, opening in Paris May 16, probably will not produce any quick or spectacular results.

Eisenhower cautioned against hoping for too much. He said the Paris meeting is only one more "in what may prove a long suc- cession of diplomatic exchanges dealing with some of the most dif- ficult problems of our era."

The United States is going to the Paris talks "with a sincere de- sire to do all possible to reduce the tensions and dangers that now exist," he said. But he added that the world's problems "are not sus- ceptible to early solution."

The ministers readily approved the Western position on disarmament as outlined by British For- eign Secretary Selwyn Lloyd on behalf of the five Western nations represented in the deadlocked Ge- neva East-West disarmament conference.

These "five" nations—the United States, Britain, France, Italy and Canada—have been meeting for weeks with five Soviet bloc coun- tries in a futile effort to reach some basis for an agreement on mutual disarmament. These talks are now recessed until June.

The Westerners are not com- pletely agreed among themselves. The West sincerely desires gen- eral and complete disarmament—as Khrushchev has proposed—pro- vided this is done under adequate and effective controls to keep the powers from cheating. "The West wants the summit meeting to is- sue some concrete joint sug- gestions to the 10-power Geneva conference."

Neither Premier Adnan Menderes nor President Celal Bayar was on hand to greet the ministers, apparently because they had their hands full with the local crisis.

Turkish Foreign Minister Falin Jusuf Zorlu acted for them.

Halvard Lange, foreign minister of Norway and current chairman of the NATO council, opened the session and said all the Atlantic allies look to the Big Four sum- mit conference opening in Paris May 16 for "a first step toward disarmament under effective in- ternational control."

"There can be no doubt that the alternative to disarmament today is a nuclear arms race with all its terrible implications," said Lange.

U.S. Secretary of State Christian A. Herter and British Foreign Sec- retary Selwyn Lloyd told their colleagues in preconference meet- ings Sunday the Western Big Three would propose to the Soviet Union that both West and East Germany vote in a plebiscite to determine whether the Soviet plan for achieving German unification or the Western plan should be fol- lowed.

The Soviets rejected a proposal by West German Chancellor Kon- rad Adenauer last month to hold a plebiscite of West Berliners to decide whether they want to end the occupation of their city.

Meets a Coyote Face to Face

MULBERRY, Ark. (AP)—Farmer Robert Parker can tell you how it feels to come face to face with an angry coyote.

Parker was attacked by such a beast last week while repairing a fence on his farm. He wrestled with the snarling coyote and finally killed it with an ax.

"I was just working along," Parker said, "and all of a sudden I heard a noise. I looked up and there he was, staring me right in the face."

Parker received a scratch on the hand. The animal was ex- amined for rabies, but tests proved it did not have the disease.

"I don't know what made him mad at me," Parker said.

Chessman Goes to His Death With Smile on Face

By LEIF ERICKSON

SAN QUENTIN, Calif. (AP)—Caryl Chessman went to his death in the San Quentin Prison gas chamber today with a smile on his lips.

WASHINGTON (AP)—Supreme Court Justice Douglas refused to- day to delay the execution of Caryl Chessman.

Douglas announced from the Supreme Court bench that an ap- peal for a stay had been tele- phoned to him by attorneys for Chessman, and that he had re- fused it.

The condemned sex terrorist, who had staved off execution for 12 years died a few moments be- fore a federal judge was prepar- ing to give a 30-minute stay to hear a final appeal from his attor- ney, and just after the United States and California Supreme courts had rejected appeals.

The potassium cyanide pellets dropped into the acid in the ap- ple-green death chamber at 10:03:45 a.m. Pacific Daylight Time — 12:03:45 EST—and Chessman was pronounced dead at 10:12.

Just as the fatal fumes rose, the 39-year-old Chessman man- aged a laugh, almost a chuckle.

No one could hear him through the soundproof walls of the her- metically sealed chamber, but he spent his final moments moun- tain words directed toward Mrs. Eleanor Black, Los Angeles re- porter, who had interviewed him many times.

SAN FRANCISCO (AP)—Cal- ifornia's Supreme Court today de- nied petitions for writ of habeas corpus and application for stay of execution of Caryl Chessman, scheduled to die at 10 a.m.

SAN FRANCISCO (AP)—The California Supreme Court today denied another stay of execution for Caryl Chessman just a few minutes before the condemned man was scheduled to be executed at 10 a.m. Pacific Daylight Time.

This last-minute petition filed by Chessman's attorney, George Dav- is, was denied 30 minutes after two earlier petitions for a writ of habeas corpus were rejected.

In Davis' latest request for a stay the attorney said he needed time to take his pleas to the fed- eral courts, including the U.S. Su- preme Court.

Chessman, condemned on two counts of kidnapping with bodily harm in Los Angeles lovers' lanes in 1948, took a deep breath as the fumes rose.

Then his head went half-way back and stayed tilted back for several seconds, with the mouth wide open.

His black hair was neatly combed and he wore a white shirt, open at the throat. Drops of saliva trickled from his open mouth.

At 10:09 a.m., a little over 5 minutes after the pellets had dropped, his shoulders quivered.

U. S. Blasted in Observances of May Day

By THE ASSOCIATED PRESS

The United States was blasted in both hemispheres as millions of workers celebrated and Com- munist paraded their armed might on May Day.

Cuba's Prime Minister Fidel Castro proclaimed "our country or death" in an angry 3½ hour harangue to between 250,000 and 500,000 shouting Cubans who turned a May Day rally into an anti-United States demonstration. "The crowd was far below the 1½ million the Castro regime had hoped to bring out."

Tokyo demonstrators hanged President Eisenhower and Prime Minister Nobusuke Kishi in effigy and blanketed the capital with placards denouncing ratification of the new U.S. Japan security treaty.

On both sides of the Iron Cur- tain, parades, rallies and speeches marked the worker's holiday es- tablished 65 years ago by the In- ternational Socialist Congress. The United States celebrates on the first Monday in September.

Marching troops, guns and rock- ets were the center attraction in Moscow, where Premier Nikita Khrushchev and other Soviet lead- ers reviewed the mammoth parade. Thousands of Muscovites applauded the display, but it contained none of the terrifying new weapons Khrushchev talked about in a speech to the Supreme Soviet last January.

Communist East Germany's 110,000-man army marched through East Berlin in a parade branded by the Western Big Three as "a threat to public order."

Communist chief Walter Ulbricht and other East German leaders looked on in front of a huge sign proclaiming "West Berlin will be a free demilitarized city."

Across the city line, Mayor Willy Brandt of West Berlin de- fied the Soviet threat to the city in a speech before 700,000 cheering followers and called on the Western Allies to remain until Germany is reunited.

About three million Chinese jammed Peking for a giant May Day carnival that Radio Peking hailed as the liveliest in the city's history.

Pope John XXIII broadcast from the Vatican a sharp rebuke of atheistic communism, and called on workers to emulate St. Joseph, the carpenter of Nazareth. The pontiff did not mention communism by name, but he spoke of "mistaken ideologies that on one hand exalt uncensored liberties and on the other suppression of personality."

Nixon was replying to a pro-
clamation made at a Democratic rally
in Washington Saturday night.
There, House Speaker Sam Ray-
burn of Texas said Nixon would
disavow the administration record
when he became the Republican
nominee.

"But he won't get away with it,"
Rayburn said.

Another prominent Republican,
Gov. Nelson A. Rockefeller of New
York, was in Chicago Sunday. Re-
porters fired questions at him.
Would he accept a draft at the
Republican convention?

"The possibility is so remote, it
is not worth speculating about."

Whom would he like to see as
the next president?

Rockefeller, who has not en-
dorsed Nixon, grinned and re-
mained silent.

The West Virginia primary at-
tracted attention again as the
state Teamsters Union endorsed
Sen. Hubert H. Humphrey of Min-
nesota on the Democratic ballot.

Humphrey, opposed by Sen.
John F. Kennedy of Massachusetts
in the May 10 primary, said "I
am always pleased when I get the
help of honest working peo-
ple."

But Kennedy said "I'm sure
that the people of West Virginia
are not going to let Jimmy Hoffa
determine who should be the
Democratic nominee for presi-
dent." Hoffa, a foe of Kennedy,
is president of the national Team-
sters Union, which says it has not
endorsed any one in the primary.

Another Democratic candidate,
Sen. Stuart Symington of Mis-
souri, completed a two-day tour
of Arizona Sunday night.

Symington, who has not entered
any primaries, told a Tucson forum
that the administration was
overlooking the inter relationship
among tariffs, foreign aid and for-
eign investments.

slightly.

He had entered the chamber at
10:04 a.m., preceded by one guard
and followed by three others.

The 60 witnesses jammed in
front of the thick windows of the
death chamber were silent. Hardly
a breath stirred.

Associate Warden Walter D.
Achuff announced the official time
of death.

The ventral blind behind which
Warden Fred R. Dickson stands a
little distance from the cham-
ber was partly open. Usually it is
shut during an execution.

Chessman's 12-year court fight
with a series of three denials—
to escape the gas chamber—ended
within 45 minutes of the execution
hoof—and an intended 30-minute
stay of execution that came too
late.

The California Supreme Court
denied a series of petitions filed
Saturday and Sunday after an un-
precedented special session in
chambers in San Francisco this
morning. They met again to deny
a new petition for a stay filed 45
minutes before the death hour.
Denial was at 9:50.

In Washington, Associate Jus-
tice William O. Douglas of the
U.S. Supreme Court refused to
grant a stay only minutes before
the death hour.

The San Quentin Judge Louis E.
Goodman said he tried to grant a
30-minute stay, but the deadly
pellets already had been dropped.
The petition was filed with Good-
man at 9:55 a.m. He said he
would have granted the delay to
hear arguments on the petition.

Word that the pellets had been
dropped was flashed first from
the office of Gov. Edmund G.
Brown in Sacramento.

Thus ended the life of a small-
time hoodlum car thief and rob-
ber whose long struggle to escape
the penalty made him a famous
prisoner.

First arrested at the age of 16,
he died at 38, having spent more
than 20 years in prisons.

Chessman died under a double
conviction of kidnapping for rob-
bery with bodily harm, the offi-
cial legal description of perverted
sex attacks on two women in Los
Angeles lovers' lanes in January
1948. He denied the crimes.

Nine times his death date was
set; eight times he thwarted it.
Seven times the courts granted
stays to permit new appeals. The
eighth time Gov. Edmund G.
Brown issued a reprieve to avoid
hostile demonstrations against
President Eisenhower in Latin
America and to push an abortive
effort to abolish capital punish-
ment in California.

of the campaign of appeals which

Death Toll in Arkansas Reaches 12

By THE ASSOCIATED PRESS

Nine traffic deaths occurred in
Arkansas during the week which
ended at midnight last night.
Other fatal accidents raised the
week's death toll to 13.

James E. Freeman, 50, of Pine
Bluff, died at a Pine Bluff hospi-
tal yesterday of injuries suffered
in a highway accident Saturday
night.

Freeman's automobile hit a

bridge abutment on Highway 8
near an entrance to the Pine
Bluff Arsenal. He was alone.

There was one death by shoot-
ing, one by fire and one by drown-
ing. One person was killed by a
train.

A small foreign car went out of
control and overturned near Mag-
nolia yesterday, injuring the
driver fatally.

Victim of the Magnolia wreck
was Robert Walter Jones, 24, of
Magnolia. Henry David Thornton,
21, of Magnolia, a passenger in
the car, was not injured in the
accident on state Highway 132
about a mile south of Magnolia.

Andrew Stewart, 11, son of Mr.
and Mrs. Hayes Stewart of Scott,
drowned yesterday in Tucker Lake
near Scott, 24 miles east of Little
Rock.

Pat Kallsnick, 22, of near Hot
Springs, a secretary at the Hot
Springs Chamber of Commerce,
was fatally injured Saturday night
when the car in which she was rid-
ing went out of control and crash-
ed into an embankment on High-
way 67 one mile north of Pres-
cott.

Miss Kallsnick was thrown from
the car and died yesterday in a
Prescott hospital. Three other per-
sons in the car, Don G. Kea, 20,
of Perry; Pat Markham, 17, of
Arkadelphia; and Carl Tucker, 17,
of Mountain Home, were not in-
jured.

James Davis, 21, of Rivervale,
was burned fatally Saturday night
when a fire destroyed a cafe and
adjoining sleeping quarters at

Students in Turkey Stage More Riots

By GARVEN HUGGINS

ISTANBUL, Turkey (AP)—Thousands of youths clashed with Turkish troops in Istanbul today as foreign ministers of the Atlantic Alliance assembled for a last look at the West's strategy for the summit conference.

Shouting "Freedom! Freedom!" the crowd strained against a line of soldiers guarding the broad plaza within sight of the Istanbul City Hall, where members of the NATO Council of Foreign Ministers were gathering for their meeting.

The soldiers pushed the demonstrators back with the butts of their rifles. Suddenly the crowd broke and scattered into several small side streets. Officials and newsmen on hand for the NATO session watched the clash from the windows of the City Hall.

There was no shooting although Premier Adnan Menderes had warned Sunday that more anti-government demonstrations would not be tolerated, and a government announcement said the army had been ordered to fire on demonstrators if necessary to disperse them.

Neither Menderes nor President Celal Bayar were on hand at the opening NATO session to welcome the ministers, presumably because they were busy with the local crisis.

Arkansan Dies in La. Wreck

HAYNESVILLE, La. (AP)—One person was killed and five were injured yesterday when an auto ran off the road and overturned three miles north of here.

All the victims were Negroes, state police said.

Virginia Adams, 32, of Hot Springs, Ark., or Haynesville, was killed.

A Shreveport hospital said John Wesley Lane, 30, of Hot Springs, underwent surgery. Admitted for observation were D. Otis Lane, 24, of Haynesville, and Odessa Terry, 30, of Hot Springs.

Two others were treated and released.

An Engineer spokesman explained that the bid, from Charles C. Coltry of Muskogee, Okla., covers more than just leasing the land.

The bidder would have to fence the area with steel posts and barbed wire, including gates and cattle guards, now around barracks and trim a golf course. His fence would become government property at the end of the four-year lease.

Rotary Hears About Paper

ELMER L. PARKS, LEFT, DISTRICT SUPERVISOR FOR International Paper Company of Mena, was the speaker at Rotary last Friday. Mr. Parks, through the use of color slides, told the Rotarians of the many uses of paper and the importance of this industry to the economy of the nation. He was introduced by Rotarian Edwin Stewart.

DOROTHY DIX

Should a Wife Forgive, Forget?

Dear Dorothy Dix:

My husband and I were married six happy years. We didn't ever fuss or nag. He says I made him a wonderful wife but he just couldn't be true. Now there is a no-good gal leading him off. He was 50 in September. He has moved out to be with her more. Do you think he will ever come home to me?—M.H.

Dear M.H.: The Bible declares, "He who commits adultery has no sense" (Proverbs 6:32). The Reverend William Graham Cole in his book, "Sex and Love in the Bible," says that all the commandments are summed up in this one sentence, "You shall love your neighbor as yourself. Love does no wrong to a neighbor; therefore love is the fulfilling of the law." (Romans 13:8-10). Dr. Cole points out that "There was no distinction between the sexes here. The principle applied equally to men and women demanding a positive, outgoing concern . . . not a merely negative restraint upon wrongdoing."

I like that. Keep on loving your husband and see what happens.

Dear Dorothy Dix:

Will you tell me where to obtain the best book concerning the facts of life for a teen-age girl? I have a daughter 10 years of age; also have two teen-age boys.—Mrs. F.R.

Dear Mrs. F.R.: Give your little girl Maxine Elliott's book, "Sex and the Adolescent." The boys should read "Facts of Life and Love" by Evelyn Mills Duval. I am sending you my leaflet on

"Sex Education for the Teen-Ager."

Dear Dorothy Dix:

I am 15 and have been writing to a boy in the Marines four months. He will be 19 this month. He has asked me to go dining and dancing with him in New York. My parents feel it is all right but I would like some "outside the family" point of view. Please help.—Sis

Dear "Sis": Most parents refuse to let their daughters date till they are 16. How well do you know the young Marine? Has he told them where he will take you in New York to dine and dance? Are you well enough informed about boy-girl relations, love, sex and convention to look out for yourself? Send a stamped, self-addressed envelope for my leaflet on the Teen-age Code.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and address her in care of this newspaper.

Benton Editor Is Found Dead

BENTON, Ark. (AP)—K. Bryan McGinnis, 47, editor of the Benton Courier, was found dead Saturday in the Saline River about a mile south of here. An autopsy was ordered to determine cause of death.

Sheriff Rogi Hester said McGinnis left his home about noon and the body was found about 7 p.m. by fishermen who were running a trot line in the river between the old River Bridge and the Missouri Pacific Railroad bridge.

The body was in about 12 feet of water and was fully clothed. Hester said there were no marks on the body.

McGinnis, who was born at Rogers formerly worked for the Arkansas Gazette, Pine Bluff Commercial and was editor of the West Memphis News. He had been edi-

Says Soaring 60's Could Change

By STERLING F. GREEN

WASHINGTON (AP)—Secretary of Commerce Frederick H. Mueller cautioned today that the "soaring 60's" could turn into the "slump 60's" if the government pursues a course of borrowing and spending.

In an address prepared for the 48th annual meeting of the United States Chamber of Commerce, Mueller predicted 1960 would be the most prosperous year, and the 1960s the most prosperous decade, in history.

But this will depend, he said, on keeping private enterprise free from "excessive government-made burdens and from a fatal dose of inflation."

Several thousand businessmen and guests, opening the three-day chamber convention, were to hear also an informal talk by President Eisenhower.

Mueller said he was proud to speak for a Republican administration which strives to "maintain a climate favorable to private initiative."

"During the last seven years, the American people have had more jobs, more new homes, new schools, new hospitals and higher income than in any previous seven years," Mueller said.

"The gross national product is close to 500 billion dollars—the all-time record. Business responsibility today is to help America to stay on that right course."

But the secretary told the delegates that the 200-billion-dollar federal debt, plus future commitments on government projects, plus the liabilities building up against government retirement and pension funds and other obligations, "amount to a mortgage on future earnings of nearly three-fourths of a trillion dollars."

"Yet with all those obligations hovering over this decade, the spendthrift chorus has not yet lost its voice," Mueller said.

Daughter of Rep. Mills to Wed

WASHINGTON (AP)—Miss Martha Sue Mills, daughter of Arkansas Rep. and Mrs. Wilbur D. Mills, will be married June 25 to David Jack Dixon of Washington.

The engagement was announced Saturday. The wedding will be at the Metropolitan Memorial Methodist Church here.

The bride will graduate in June

for the Benton paper five years. Survivors include his wife and two sons.

Empire Company Sells Holdings

BRANSON, Mo. (AP)—The last holdings of the Empire District Electric Co., which had planned to build a private power dam near what is now Table Rock Lake, will be sold here Saturday.

The 24 tracts, ranging in size from 3 to 227 acres, total 3,300 acres. All are around the lake.

Empire assembled more than 10,000 acres for its private dam, but lost its permit. The govern-

ment condemned some 7,000 acres for Table Rock, completed last year at a cost of 60 million dollars.

Editor Named to Publicity Post

LITTLE ROCK (AP)—Carl Childress, state editor of the Arkansas Democrat, has been named publicity director of the state Chamber of Commerce, a newly created post.

Childress, a member of the Democrat staff since 1952, and state editor for three years, resigned Saturday.

Previously he had worked on the Pine Bluff Commercial, Conway Log Cabin Democrat and Morrilton Herald.

Young Hurlers Come Through for Cleveland

By JACK HAND
Associated Press Sports Writer

When Frank Lane traded away Cal McLish, his 19-game winner, the Cleveland Indians announced that they were going to gamble with young pitchers.

Wynn Hawkins and Dick Stigman, two 24-year-old members of the 1960 rookie crop, made General Manager Lane and Manager Joe Gordon look good Sunday when they managed complete games in a doubleheader sweep over Kansas City.

Hawkins, a right-hander from the Mobile farm, allowed 10 hits but lasted nine innings to win his second game 6-4 with the help of five runs batted in on two homers by Bubba Phillips.

Stigman, a southpaw out of San Diego, turned in a steady six-hit effort in the 4-1 second game, won by Vic Powers's two-run single.

Despite the success of these precocious Indians, the defending champion Chicago White Sox took over the undisputed American League lead for the first time this season. The White Sox whipped Detroit 6-3 and 5-2 on the relief pitching of Gerry Staley and Frank Baumann.

Baltimore's young Chuck Estrada survived a three-run first inning and went all the way to a 9-5 decision over the New York Yankees. A Washington-Boston

Facing a Hearing

LOS ANGELES (AP)—Beverly Andland faces a custody hearing today that could place her in a juvenile home.

The 17-year-old actress, last love of the late Errol Flynn, has been detained by juvenile authorities since the fatal shooting of Billy Stancio, 21, in Beverly's apartment. She claims he was shot accidentally.

Her mother, Florence Andland, 53, has been charged with five counts of contributing to the girl's delinquency.

doubleheader was rained out.

In the National League, Pittsburgh won its ninth straight, humbling Cincinnati again 13-2. It was the longest Pirate winning streak since 1944. Milwaukee edged Philadelphia 5-4 and Chicago shaded St. Louis 5-1. Los Angeles and San Francisco had an open date.

Hawkins might have needed relief if it hadn't been for Phillips' slugging. He was nicked for two homers by Norm Siebern and one by Wilkey Herzog among the 10 Kansas City hits. The Indians piled up an early lead off loser Neil Garver.

Stigman helped himself in the second game. He started a rally with a single to open the fifth. After a sacrifice and a single by Johnny Temple, the pitcher, who jumped into catcher Harry Chit at the plate and the catcher dropped the ball. The only run off the lefty was unearned.

Venezuela was given this name by Spanish conquistadores because they found native villages built on stilts on Lake Maracaibo. Venezuela means "little Venice."

Pirates Power Way to 9th Straight Win

By JACK HAND
Associated Press Sports Writer

The pre-season line on Pittsburgh read: "Sound defense, good speed, thin pitching, lacks power." This is the same club that scored 12 runs Saturday and 13 runs Sunday while stretching its winning streak to nine games, the club's longest since 1944.

What happened?

The batting averages tell part of the story: Smokey Burgess, .438, Roberto Clemente, .377, Dick Groat, .349, Bob Skinner, .327. The pitching records tell the rest: Vern Law 4-0, Bob Friend 3-0.

Law has come into his own to gain belated recognition as one of the very best pitchers in the National League. Overshadowed by Friend in previous years, Law compiled a brilliant 18-9 season last year only to play second fiddle to Elroy Face's sensational relief pitching (18-1).

There has been no stopping Law this season. His fourth straight Sunday was a sound nine-hitter over Cincinnati 13-2. He grew steadily better as the game went on, allowing only three harmless singles after the third inning. Clemente got the Pirates off winging with a bases loaded home run off Don Newcombe in the first inning. Bill Mazeroski followed with a three-run homer in the eighth.

Pittsburgh's Sunday victory opened up a two-game lead on idle San Francisco which, like Los Angeles, had an unusual Sunday open date.

Billy Bruton collected five hits, including his first homer of the year, in Milwaukee's 5-4 victory over Philadelphia. Don McMahon rescued Lew Burdette in the ninth after a three-run rally had left the Phils only one short of a tie.

Tony Taylor was the big man for the Chicago Cubs, driving in three runs with his four hits in a 5-4 decision over St. Louis. Don Elston's fine relief work as the third Cub pitcher saved the victory for starter Glen Hobbie.

Chicago took over the undisputed American League lead for the first time by whipping Detroit twice 6-3 and 5-2. Cleveland swept a pair from Kansas City 6-4 and 3-1 and Baltimore whipped New York 9-5. A Washington-Boston doubleheader was rained out.

5 Youths Drown

PANAMA CITY, Fla. (AP)—Swamping of a skiff drowned five of eight youths aboard a 12-foot craft on a pond.

Relatives on shore swam 100 yards and rescued the other three.
